- Those with duties please make an effort to be prompt when they need to be done - especially if you need to be back in good time from a trip!

#### Noise

- Please be quiet between 11pm and 8am. There will be others trying to sleep, even if you're not.
- Do not play the piano or use the trampoline/bouncy castle after 11pm, and keep the noise down whilst chatting late at night.
- Please do not play car radios or other noise making equipment at a volume that others can hear. Please keep the car doors shut if you do want to listen to anything.

#### Out of bounds areas

- Tents of the opposite sex are out of bounds and so is the area around them. *N.B. This is not 'cos. we dont trust you, but to give some privacy!*
- Cars are not allowed onto the field
- The farm buildings not in use by camp are also out of bounds

# CBM/Pioneer Camp

# 2008

Are you serious?

## Welcome to Root Hill!

*We hope you had a good journey.*

- Look out for information in the Good News Barn; (*you've obviously found this programme*) lists of fellow ~~prisoners~~ campers, maps etc. - the best way to find things out is to ask somebody - especially if you did not come to camp last year.
- **Warning** - it can get chilly at night! There are some tea chests full of **blankets**, and you can also borrow 3 or 4 **sleeping mats** if you need some. There are also strips of carpet you can use for your tent to put stuff on. There may still be some Lilo's to hire at £1 for the week!

- Find David (look for a beard & a pen behind the ear) if you need a tent.
- The **tuck shop** is self service. There are **ice creams** next to the big **drinks** fridge. Put your money in the cash box, or add your debt to the debtors list at the tuck shop. Please don't let your debt grow too big, and **don't** forget to update the list if you take something.
- Squash & hot drinks are always available
- Some books & the Stuart Olyott CDs are part of the tuck shop but the main book stall is separate from the tuck shop. You pay 'Stormin' Norman for these books (he will introduce himself in due course)
- There is a first aid box in the barn to the left of the kitchen hatch. Speak to one of the leaders if you feel unwell – the best cure for a headache is to drink a glass of water and sit down for 20 minutes!
- The fridge/freezer labelled 'Max' is for campers to use (*if you can fit in it*)
- You can charge up your phones on the shelf to the right of the book shop
- The leaders are all here for your benefit. Feel free to talk to any of them about anything.
